

SolSaver: Decentralized Finance Made Simple

Managing finances is overwhelming. Most apps too complex.

Web3 users lack simple, transparent tools.

Solana enables fast, low-cost financial management.

Our Solution

Minimalist Tracker

Clean, tap-based interface. Log expenses in seconds.

On-Chain Storage

Full ownership and transparency. No middlemen.

No Bloat

No sign-ups, no ads. Just honest finance.

How It Works

Connect Wallet

Link your Phantom or other Solana wallet.

Input Transactions

Log spending or saving with simple taps.

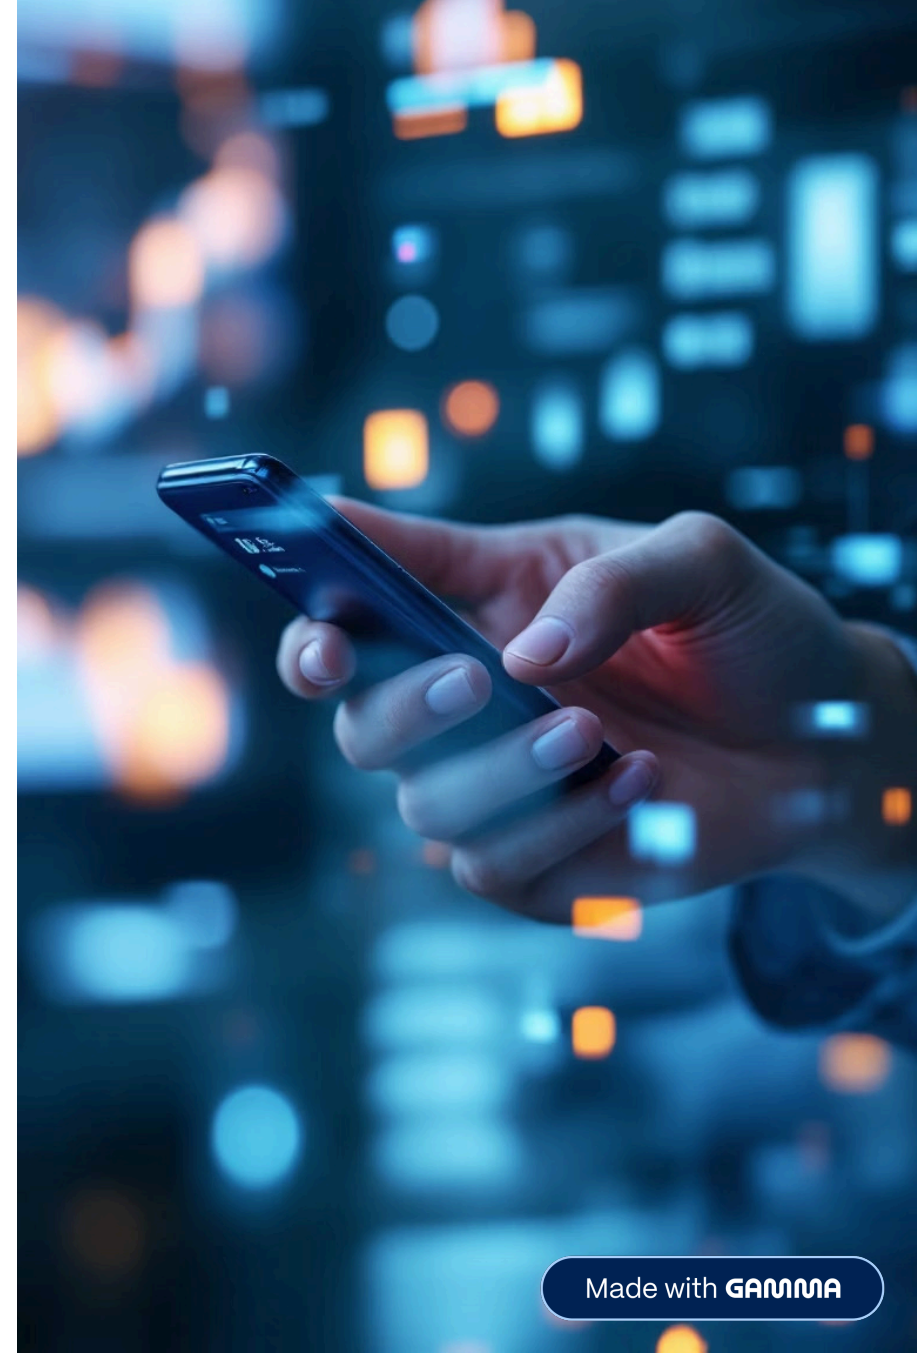

Blockchain Storage

Data secured on Solana's ledger.

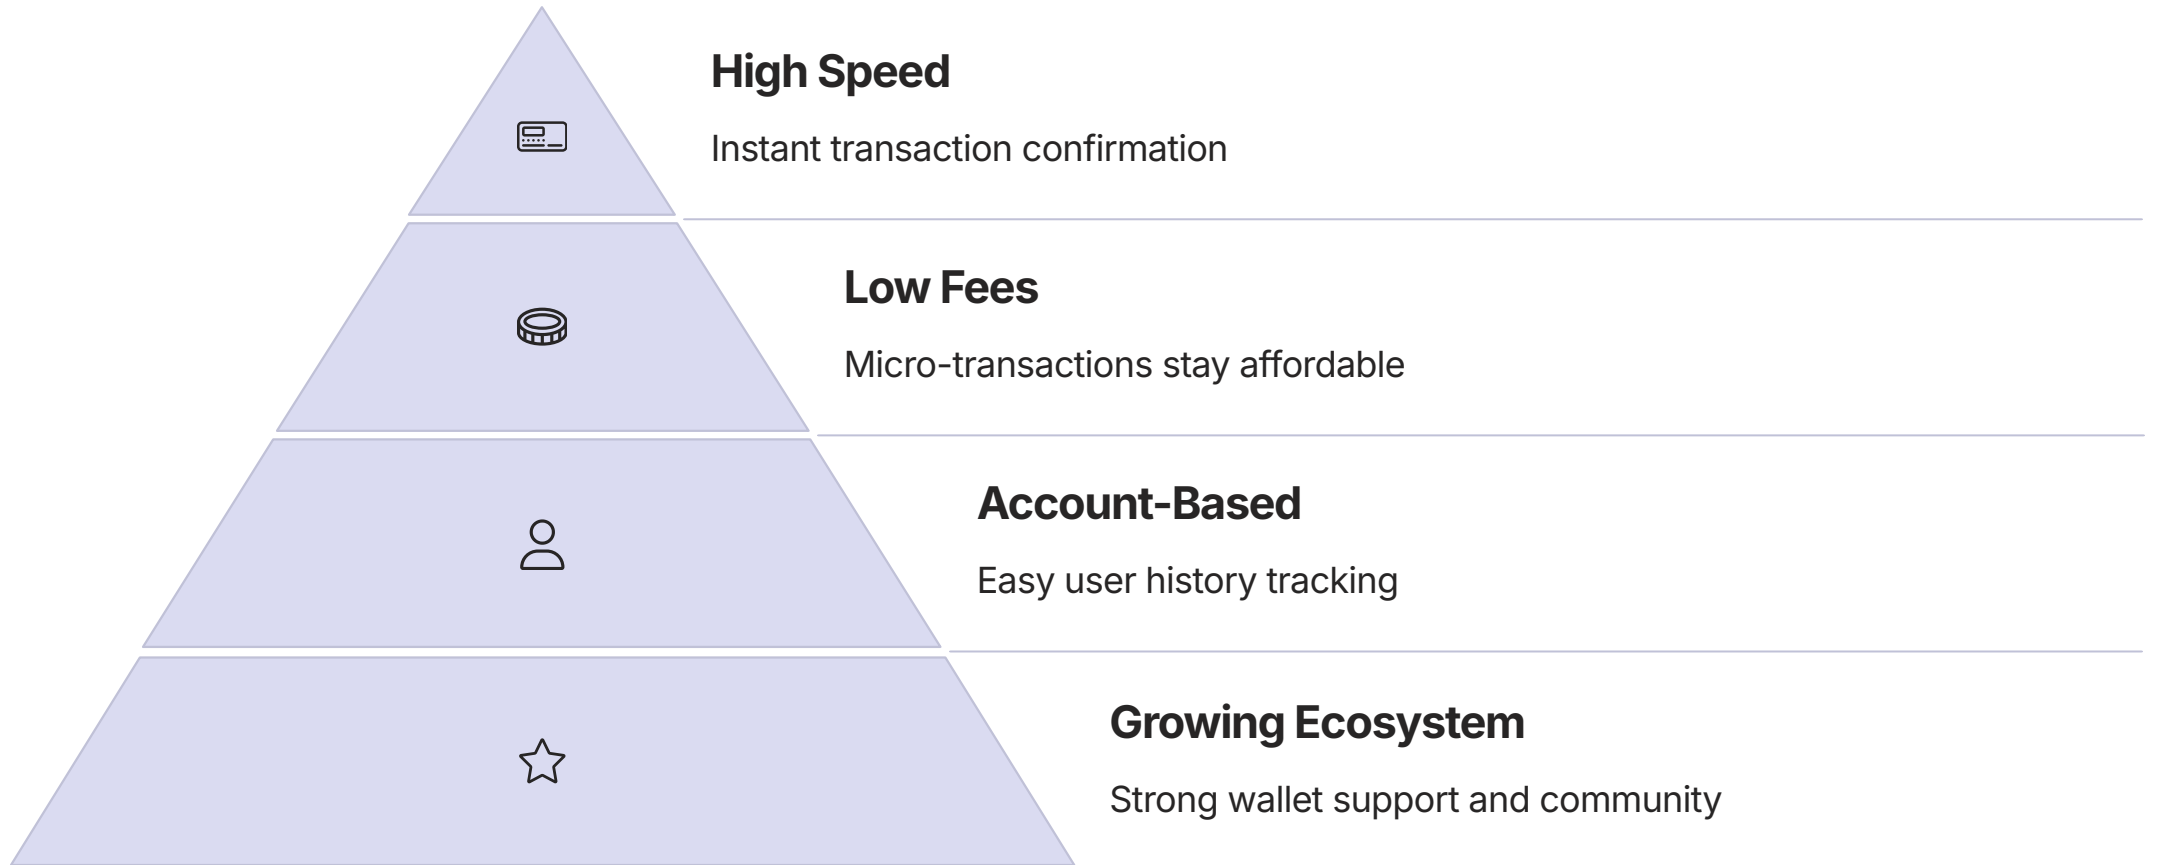

Track Progress

View financial timeline and habits.
